Please write your abstract here within the space allocated here (NOT to exceed this single page). DO NOT change the font or the size of any of the components in this template. Please DO NOT include any figures with your abstract. Submission of an abstract does not require registration a pre-requisite. However, for presentation of a poster, it is required that you pay your registration fee. On submission, you will receive an acknowledgement mail with abstract identification number. After submission your abstract will be screened by the scientific committee. The acceptance/rejection of abstracts for presentation will be intimated latest by February 27, 2017 after which the registration process should be completed as soon as possible. No abstract will be accepted without payment of the registration fee. The submission requires uploading of the abstract in the given template as MS Word 2007 attachment. The file should be uploaded in MS word format only and not in pdf/RTF. Your abstract must fit this template and approximately this much text.
