Dy. No. 474 dt. 11/10/18

**Subject: Categorization as Bulk Waste Generator for implementing provisions of SWM Rules, 2016-reg.**

Sir/Madam/Messers,

Considering the activities/business carried out at your premises. You are hereby designated as Bulk Waste Generator ( i.e generating more than 100kg waste/day). Accordingly you are directed to comply with the provisions of the SWM Rules, 2016 and implement segregation of waste at source, segregated storage within premises, facilitate segregated door to door collection and processing & treatment of bio-degradable within premises or processing tied-up with a service provider. You will also attract the provisions of bye-laws for municipal solid waste management and costs/fees/charges thereof.

In case you claim not to be a bulk generator you are required to submit a self-declaration to that effect within 2 weeks otherwise it will be deemed that you have no objection to be classified as a Bulk Generator.

The self-declaration performa is attached which should be filled up and submitted to the office of undersigned and acknowledgement obtained, which will serve as "Certificate of Non-Bulk Generator" till a verification certificate is issued. In case your self-declaration is found untrue, the same will be cancelled and penal costs/charges @ double the applicable charges will be levied for the period from effective date to date of verification.
